It is observed that both MO T-2 and MO T-3 identified a person attending the convention as a deputy sheriff at Montgomery, Alabama. Investigation has ascertained that this individual is [redacted] a guard employed by the Capitol Stockyards at Montgomery, who wears the uniform very similar to uniforms worn by Deputy Sheriffs of the Montgomery County Sheriff's Department. Investigation has indicated also that [redacted] is not in any way connected with the Montgomery County Sheriff's Department.

The article on Page 7 of the September 1962, issue of "The Thunderbolt" states in pertinent part as follows:

"On Saturday night Sept. 1 delegates from all over the U. S. started arriving at Chester's Restaurant for the 'pre-convention' get together in Montgomery, Ala. Patriots from some 28 states were getting their chance to meet their fellow White brothers from all over America. Delegates were greeted by the loyal members of the Montgomery Unit headed by Chester Robinson and Lamar Doughtery. While Mr. Doughtery was busy registering those arriving, State Chairman Vick Ashurst was working out the final details on the convention hall.

"Later that evening patriots from several states were called upon to say a few words about what they were doing in their areas, and Chesters Restaurant was filled to capacity. Guests were entertained by the Harmony Boys Quartet, headed by loyal member G. E. 'Red' Cannon.

"The next morning as delegates entered the convention hall they immediately saw the gigantic Thunderbolt Flag, which covered the stage. Stretched from balcony to balcony across the hall was a huge banner saying 'Jesus Christ Our Leader' and the speakers rostrum was bedecked with the Confederate Flag.

NATIONAL STATES RIGHTS PARTY

"At about 1 p.m. Dr. Edward R. Fields introduced Mr. Ned Dupes the National Chairman who greeted the delegates and made a speech on the plans of the NSRP for the coming year. Following Mr. Dupes was our Vice Chairman Mrs. E. L. Bishop who spoke on the role of women in the NSRP.

"Mr. William Hoff of New York (New York State Director) gave a speech on the fight that is being carried on in the North, and was followed by the Thunderbolt's Associate Editor, James Warner, who spoke on right wing unity, and read a letter addressed to the convention by John Patler, who had just been released from jail after picketing a negro convention in New Jersey.

"Head of the 'Minutemen' organization Robert DePugh gave a long speech on subversion in government and how to overcome the enemy if the U.S. should be invaded. He was followed by Mr. Wally Butterworth of Vox Pox radio fame who told the delegates of Jewish subversion and control of our mass communications media, and how we can overcome this by use of the phonograph. He ended his speech by calling for more unity on the right and announced that the NSRP would now be handling his recordings on Jewish Treason.

"NIGHT SESSION

"Admiral John G. Crommelin was the first speaker of the evening session, and as he entered the hall 'Dixie' was played and delegates rose to their feet and gave him a thunderous round of applause. Amid the applause could be heard shouts of 'God Bless Admiral Crommelin' and 'We need more men like Admiral Crommelin.' The Admiral then proceeded to give the delegates a talk on his personal experiences in uncovering treason at national, state and local levels. His un-compromising stand on major issues was affirmed by the round after round of applause he received.

"Next on the agenda was our New National Co-Ordinator Robert Bowling who told of the merger of his National White Americans Party with the National States Rights Party, and let it be known that he was sure that the National States

NATIONAL STATES RIGHTS PARTY

Rights Party would be victorious in the coming years. He also gave a brief summary of what the Georgia NSRP was going to win this fight.

"Emory Burke was the next speaker and he let the people know that as long as we have the will to fight in our hearts our spirit will not be broken and we will gain ultimate victory. This was the first major speech Mr. Burke had made in 17 years, and the delegates knew they had heard one of America's best orators when he finished speaking. Mr. Burke was followed by Richard Bowling who has been leading the White resistance to race mixing in Albany, Georgia, who told of the battle they are waging there.

"The last speaker of the evening was the Rev. Oren Potito, NSRP National Organizer, who spoke of the gains he has made for the NSRP in the last three months. His recent radio schedule was of much interest to those attending and many were disappointed that he did not speak longer.

"Other speakers of the day were Rev. Conrad Lynch, Mr. Oliver Kendrick, and Jerry Dutton of Atlanta, Ga."

A characterization of the National States Rights Party is contained in the appendix to this memorandum.

On August 27, 1962, MO T-1 furnished a four page leaflet purporting to set forth the schedule for the National States Rights Party Convention, September 2, Montgomery Municipal Auditorium, which furnished the following information pertaining to speakers at the convention:

"GUEST SPEAKERS"

"ROBERT DE PUGH"

"Mr. DePugh is the famed leader of America's 'Minute Men' organization. They are armed and training to resist any possible future Communist invasion or internal

NATIONAL STATES RIGHTS PARTY

take over of the U.S. Government. These courageous patriots have formed Civilian Guerrilla combat units, ready to take to the hills, vallies and forests of America and continue the struggle for freedom - even if the regular U.S. Armed Forces should be defeated. Dont miss Mr. DePugh's courageous talk. It will be one you will long remember.

"ADMIRAL JOHN G. CROMMELIN

"Alabama's own Admiral Crommelin, the man responsible for awakening the people of this state. No other man has done as much to take our message directly to the people as has this courageous leader. All who read our newspaper are familiar with his stand. For most of you, this will be your first opportunity to hear, and meet this hero of the Pacific campaign of W.W. II and now America's greatest authority on the Communist Conspiracy against America.

"WALLY BUTTERWORTH

"Of the famed coast to coast radio program, 'Vox Pox.' For many years all of you listened and enjoyed this nationally known radio announcers programs. Now he has become one of the most outstanding leaders in the right wing movement. He has led the expose of the secret Kosher markings on many foods (symbols are 'K' & 'U') and how we are taxed by Rabbis every time we eat these foods. Mr. Butterworth has quickly become a Leader, whose warm and familiar voice you will all want to hear again.

"ASA CARTER

"Perhaps our 'fightingest' speaker. He is well known for his 'Hell, Fire & Brimstone' oratory on race and Whiteman's heritages. This Patriot aroused the people of Clinton, Tenn., to resist the invasion of race-mixers. You will long remember the oratory of this great speaker.

"NATIONAL STATES RIGHTS PARTY SLATE OF SPEAKERS:

"NED DUPES

NATIONAL STATES RIGHTS PARTY

"NATIONAL CHAIRMAN OF NATIONAL STATES RIGHTS PARTY

"Mr. Dupes is one of the Founders of the N.S.R.P. He is a favorite after-dinner speaker wherever he goes. If you have not heard him before, you will have a treat in store.

"EMORY BURKE

"Called 'AMERICA'S GREATEST ORATOR', Emory Burke made his 'come back' only last month, and has addressed large crowds in Montgomery, Ala., Albany, Ga., Atlanta, Ga., and Little Rock, Ark. The new enthusiasm he has instilled in members and supporters is truly fantastic. The National States Rights Party Movement has made huge progress in the very short time Mr. Burke has been working full time to build this Third Party.

"REV. OREN F. POTITO

"NATIONAL ORGANIZER OF NSRP, will give an inspiring talk and report on organizational plans for the coming year. Rev. Potito has taken the NSRP to the air waves and launched the National Christian Congressional Committee which is rapidly collecting 10 Million names to curb the power of the Supreme Court and restore Christian Prayer in the schools.

"ROBERT A. BOWLING

"New NATIONAL COORDINATOR of all NSRP Units from coast to coast. He will explain his action program of coordinating the activities of our different Units across the land.

"REV. GORDON WINROD

"The son of the late Gerald Winrod, founder of 'The Defender' Magazine, will give his usual stirring address on the Anti-Christ enemy which we are fighting. Rev. Winrod is NSRP NATIONAL CHAPLAIN, and will officiate the opening and closing of this Convention.

NATIONAL STATES RIGHTS PARTY

"MRS. E. L. BISHOP

"Our NATIONAL VICE CHAIRMAN, and the leading lady of the NSRP. Mrs. BISHOP will speak on the woman's role in building the Third Party in America. Mrs. Bishop herself, is the outstanding example of just how great a part our women folk can play in this vital struggle to save America and the White Race.

"DR. EDWARD R. FIELDS

"Editor of 'THE THUNDERBOLT' will report on the progress of our newspaper and make a sensational announcement on a tremendous advancement to be made by NSRP in the publishing field. Dr. Fields will also give a report on the organizational growth that must be met on a quota basis during the coming year. This must be our greatest year yet, and every member will be expected to do more than his part."

MO T-1 advised on September 3, 1962, that at the conclusion of the speech by [redacted] of Atlanta, Georgia, a white man later identified as a member of the American Nazi Party tried to enter the convention hall and Dr. EDWARD R. FIELDS instructed a policeman on duty at the hall to keep the Nazi Party member out of the convention. Informant stated there was no disorder inside the convention hall over this matter.

b7D

Pertaining to this incident, there appears an article on page one of the Montgomery Advertiser, a daily newspaper published at Montgomery, Alabama, in the edition on September 3, 1962. This article, written by BOB DUKE, states that LAWRENCE GARY SMITH, of Arlington, Virginia, was arrested on September 2, 1962, in connection with a disturbance at the annual convention of the NATIONAL STATES RIGHTS PARTY at Montgomery. The article states that SMITH identified himself as a member of the American Nazi Party. It states that SMITH was arrested when Dr. EDWARD R. FIELDS alleged that SMITH struck him in the chest outside City Hall where the convention was being held after FIELDS had asked SMITH and a companion, ROBERT A. LLOYD, of Arlington, Virginia, to stop distributing pro-Nazi literature at the convention site.

NATIONAL STATES RIGHTS PARTY

MO T-1 stated that one of the longest speeches at the convention was that by Mr. ROBERT De PUGH, identified as National Commander of the "Minutemen" organization. MO T-1 stated that De PUGH's speech was not well received by many of the NSRP members because DE PUGH indicated that he did not feel that the fight against Communism could be won on a political basis. He felt rather that Communism would take over the United States and that "we patriots" would have to fight the Communist from the underground. According to MO T-1, DE PUGH pictured the United Nations as being completely controlled by the Communist and pictured the United States Government as being Communist infiltrated and unable to cope with the situation. MO T-1 stated that although the context of DE PUGH's statement in this regard was not well understood at the time, he made some remark that it might be necessary for the people of the United States to revolt in order to save the country from the Communist. DE PUGH called for the extension of what he called "American Freedom Rallies" and indicated that there was an organization sponsoring these rallies, and that it is headquartered at P.O. Box 1195, Kansas City, Missouri.

An article in the September 3, 1962, issue of the Montgomery Advertiser, Page 2, carrying the caption "Rights Party Speakers Warn of Red Advances", is written by JANE MARXER. This article describes the address of ROBERT DE PUGH and quotes him in part as follows:

"I think that the American people will, if necessary, revolt."

This article states that DE PUGH called for the complete annihilation of Communist and socialist conspiracy. It states that DE PUGH complained that the United Nations is dominated and controlled by coalition of nations that are either Communist, Communist Satellites, Communist sympathizers, pro-Communist, neutral, or relatively new nations that are completely unfamiliar with the American way of life. The article also quotes DE PUGH as stating "what we have to find is a battle cry to bring in the maximum number of people and keep them long enough so that they will be informed."

NATIONAL STATES RIGHTS PARTY

MO T-2, who has furnished reliable information in the past, advised on September 7, 1962, that Mr. ROBERT DE PUGH's speech proved to be quite unpopular with the vast majority of the people present at the NSRP convention. MO T-2 stated that DE PUGH spoke for about two hours and that he was neither anti-Semitic nor anti-Negro, but stated that Americans should be preparing for guerrilla warfare to fight against the Communist in the event they conquer the United States in the war which he felt was certain to come.

MO T-1 confirmed that the speech by [redacted] was directed to the topic of the alleged control of the press, radio, and television by the Jews. [redacted] stated that these mass communications media are "mesmerizing" our children and denying the truth to the public. He advocated the wide-spread use of long-playing phonograph records which he sells, to circulate the truth about the Jewish Communist enemy. [redacted] also spoke against the Federal Reserve System as being a Jewish device to control the world. MO T-1 stated also that [redacted] claimed that the Jews were the real power behind MARTIN LUTHER KING, JR., principal Negro leader in the United States.

b6

The article in the September 3, 1962, issue of the Montgomery Advertiser mentioned above states that one of the speakers was ASA CARTER, former candidate for Lieutenant Governor in Alabama. This article states that CARTER was introduced "Mr. White Supremacy Himself" and in his speech stressed that the Communist were supporting integration of the races. This article states that CARTER gave what he called statistics pertaining to comparative crime rates of Negroes and white people in Washington, D.C., which indicated much greater criminal activity on the part of Negroes. He indicated his opinion that no Negro has a right to vote because Negroes are not sufficiently responsible to possess this privilege. This article states that CARTER advocated certain changes in the educational program in schools. He complained that his child's fourth grade history book includes four chapters devoted to Negroes but makes no mention of JOE WHEELER "and other great Alabamians". CARTER

NATIONAL STATES RIGHTS PARTY

advocated approaching the PTA, the DAR and the UDC to "get history back in our schools".

MO T-3, who has furnished reliable information in the past, advised on September 4, 1962, that ASA CARTER in his speech at the convention on September 2, 1962, suggested a boycott of the Ford Foundation, Kraft Foods and Phillip Morris cigarettes because these organizations were headed by "integrationists".

MO T-1 stated that Admiral JOHN CROMMELIN, a retired United States Navy Admiral residing at Montgomery and Wetumpka, Alabama, made the opening address in the evening session of the convention on September 2, 1962. MO T-1 stated that CROMMELIN's speech was principally directed against Jews. He indicated that he is an expert in classifying Jews and outlined certain types of Jews and degrees of Jewishness in people. He spoke of Marano Jews, Jewlattos and Jew Spouses, and defined each. MO T-1 confirmed that as stated in "The Thunderbolt", the September 1962 issue, CROMMELIN spoke on his personal experiences at the Pentagon Building in Washington, D.C., where he claimed to have discovered subversive and treasonous activity.

MO T-3 advised on September 4, 1962, that [redacted] [redacted] of Brooklyn, New York, made a short speech describing his experiences in picketing a Negro rally in New York State. This informant stated that [redacted] was dressed in the uniform of blue work clothes, black tie and combat boots. He walked in a stiff military manner and stood at attention in the convention hall for over an hour. He indicated that he had eight associates who assisted him in picketing the Negro rally and stated that one of the group was arrested by a police.

b6
b7C
b7D

The September 3, 1962, issue of the Montgomery Advertiser indicates in the above-described article that HOFF was described as State Director and New England organizer for the NATIONAL STATES RIGHTS PARTY.

MO T-3 advised on September 4, 1962, that another speaker was [redacted] who assisted Dr. FIELDS in publishing "The Thunderbolt". Informant stated that [redacted]

NATIONAL STATES RIGHTS PARTY

related stories about NSRP members being arrested in Albany, Georgia, and in Albany, New York, and read a letter from one who was jailed, stating that he had fasted during his stay in jail.

MO T-1 advised that the letter was from [redacted]
[redacted]

MO T-3 advised on September 4, 1962, that two of the speakers, a Mr. [redacted] of Alabama and a Mr. [redacted] from Milwaukee, Wisconsin, spoke against the fluoridation of water. (MO T-1 and MO T-2 further identified [redacted] as Mr. [redacted] MO T-1 and the September 3, 1962 issue of the Montgomery Advertiser in the above described article, identified [redacted] as vice chairman of the State of Alabama, National States Rights Party, residing at Sylacauga, Alabama.)

b6
b7C
b7D

MO T-3 on September 4, 1962, and the September 3, 1962, issue of the Montgomery Advertiser both indicated that another speaker was WILLIS CARDO, of Washington, D.C., representing the "Liberty Lobby".

MO T-3 advised on September 4, 1962, that anti-Semitic speeches were made also by Mr. [redacted] of Atlanta, Georgia, his brother, [redacted] of Atlanta, Georgia, EMORY BURKE, of Montgomery, Alabama, and the Reverend OREN F. POTITO, of St. Petersburg, Florida.

b6
b7C
b7D

MO T-4, who has furnished reliable information in the past, advised on September 6, 1962, that Reverend POTITO was the final speaker at the convention on September 2, 1962. This informant stated that POTITO's remarks were anti-Jew and anti-Negro. He stated that Christ is the true leader of the National States Rights Party and quoted from the Bible in an effort to justify his remarks.

MO T-2 advised that the following persons also made short but notes especially noteworthy speeches at this convention:

NATIONAL STATES RIGHTS PARTY

Mr. NED DUPES, introduced as the National Chairman of the National States Rights Party

Mrs. [REDACTED] from Little Rock, Arkansas, introduced as a National Vice-Chairman of the NSRP and Chairman for the State of Arkansas

Reverend [REDACTED] NSRP Chaplain (Reverend [REDACTED] was introduced but had nothing to say to the convention)

Reverend CONRAD LYNCH of San Bernardino, California

Mr. [REDACTED] from Virginia, who later proved to be a member of the American Nazi Party, headed by LINCOLN ROCKWELL in Arlington, Virginia

MO T-4 advised on September 4, 1962, that a pre-convention gathering was held at Chester's Restaurant in Montgomery, Alabama, on September 1, 1962. This informant indicated that several of the persons who made speeches at the convention on Sunday, September 2, 1962, also made brief addresses at the pre-convention gathering. Reverend CONRAD LYNCH, [REDACTED] of Richmond, Virginia, [REDACTED] NED DUPES, Dr. EDWARD R. FIELDS and EMORY BURKE were among those in that classification. MO T-3 stated that in addition the following persons were introduced at this pre-convention gathering:

[REDACTED] of Columbus, Ohio

[REDACTED] of Detroit, Michigan

[REDACTED] of Los Angeles, California

DR. [REDACTED] of La Crosse, Wisconsin

[REDACTED] of West Point, Tennessee

NATIONAL STATES RIGHTS PARTY

MO T-3 stated that at this pre-convention gathering [REDACTED] was introduced as being associated with the National White America Association of Albany, Georgia, and with a "National Youth Organization" which has not yet been named. It was indicated that he had joined both of these organizations with the National States Rights Party.

b6
b7C
b7D

MO T-3 stated that Reverend OREN F. POTITO, described as a National organizer for the National States Rights Party, was also introduced as head of the "National Christian Congressional Committee", Post Office Box 10924, St. Petersburg, Florida.

MO T-3 stated also on September 4, 1962, that an unidentified speaker at the pre-convention gathering at Chester's Restaurant made remarks in private conversations pertaining to the good work done by the Ku Klux Klan. He indicated that the Klan would march "ten thousand strong" at Albany, Georgia, on Labor Day.

MO T-3 stated also that it was indicated that Reverend [REDACTED] of Little Rock, Arkansas, had resigned as National Chaplain of the NSRP. The reason for his resignation appeared to be that EMORY BURKE was an atheist and [REDACTED] could not be affiliated with an organization which was led by an atheist.

b6
b7C
b7D

MO T-1 advised that the number of persons who attended the convention on September 2, 1962, varied from approximately 100 to approximately 200, with many of these persons leaving the convention for periods of time and coming back later.

MO T-3 estimated the number of persons attending the convention at 150.

With respect to the attempted distribution of literature by members of the American Nazi Party at the convention, MO T-2 stated on September 7, 1962, that Mr. NED DUPES and EMORY BURKE were friendly to the American Nazi Party members and they conferred with Captain [REDACTED]

of the American Nazi Party, who accompanied [REDACTED] and LLOYD, with a view to securing the release of [REDACTED] who was still in jail as of late evening of September 2, 1962.

MO T-2 advised also on September 7, 1962, that displayed at the convention were two pieces of literature purporting to be published by the Defensive Legion of Registered Americans Inc., showing an Atlanta Office in the Walter R. Brown Building, Atlanta 3, Georgia. This informant stated that officers of the Defensive Legion of Registered Americans were named as Mr. JAMES R. VENABLE and Mr. [REDACTED]. The informant stated that this [REDACTED] is identical with the person described above in this memorandum as [REDACTED]
